

Sales Representative for United Kingdom

MITRAS Materials GmbH is a medium-sized industrial company in the plastic sheet extrusion sector, based in Weiden, Bavaria, Germany, and belongs to the German Senata Group. We develop, produce, and sell thermoplastic semi-finished products in the form of plastic sheets.

Are you passionate about the plastics industry? Would you like to develop new projects with customers in United Kingdom? Then you've come to the right place!

Your tasks:

- Expanding and maintaining a customer base in the thermoforming industry.
- Personal visits to strengthen customer relationships.
- Interface between customers and our team in Germany: support for current orders, new projects, tenders, trade fairs, and exhibitions.
- Continuous exchange with our sales department in Germany

Your profile:

- Residence in United Kingdom.
- Technical-commercial training desirable.
- Experience with thermoplastics (extrusion, thermoforming) is an advantage.
- Enjoyment of marketing high-quality products, reliable and professional customer service.
- A complementary activity is not a problem.

What we offer:

- Independent work on a commission basis.
- Support from our experienced sales team in Germany.
- The opportunity to actively contribute to the expansion of our business in United Kingdom.

We look forward to receiving your application!
